# Who We Are?

America's Best Nutrition is an FDA registered and GMP certified supplement manufacturing partner located in the heart of Long Island New York. We offer a wide array of high quality stock and customized dietary supplements, with exceptional service, competitive prices and the best lead-times in the industry. Most orders can be fulfilled within 6 weeks. Our product development specialists, formulators, analytical chemists and marketing specialists have a strong understanding of all aspects of the industry. We are here to help you create the best-in-class products you are looking for.

# What Do We Offer?

## Stock Bulk Softgels, Capsules and Tablets – *Immediate Delivery*

We offer a wide array of stock solid-dose bulk products with low minimum order quantities and ready ship within 48 hours. Additionally, all products are manufactured to GMP specifications and can be delivered directly to your co-packer or packaged in-house at competitive rates.

## Custom Formulations – *Ready in 4-6 Weeks*

Looking for a unique product with a competitive edge? We have developed products for some of the largest brands in the world. Whether you need formulation assistance, help determining dosage form, shape and size or creating labels and marketing materials, our team of product development specialists is here to help create your next winning product.

## Fast Turnaround

With a capacity nearly 2 million pieces per day, we can offer lead times as low as four weeks after receiving your order!

## Quality Manufacturing

By adhering to strict current Good Manufacturing Practices, we ensure that all dietary supplements manufactured by America's Best Nutrition meet the highest quality standards. Our manufacturing equipment delivers precise products that meet 100% of product specifications with tolerances as low as 1%.

## Excellent Customer Service

Our qualified staff is available throughout the entire process to answer your questions and provide timely feedback on your project. When you work with America's Best Nutrition, you will receive a personal experience that is unmatched in the industry.

# Liquid Supplement Manufacturing:

## Formulation Design

It all starts with an idea. Converting that idea into a successful product is what we do. We have over 30 years' experience in creating products for brands worldwide.

## Taste Test Approval

Liquid supplements are unique with sensory attributes, and a successful product needs to taste great! We will provide you with R&D samples for approval.

## Liquid Manufacturing

Our fully automated liquid manufacturing equipment delivers high-quality products that are consistent and repeatable from batch to batch.

## Packaging & Fulfillment

We offer a wide array of primary packaging, secondary cartoning and fulfillment services from right here in the northeast.

## Certificates:

Vegan

Non-GMO

Organic Natural Food

### Who We Work With

- Major Retailers
- Top-Rated Amazon Brands
- Startup & Emerging Companies
- International Distributors

### What Our Partners Have to Say

*"In my history of working with supplement vendors, I can honestly say that there is not one company that I've ever worked with that has better service than ABN."*

*"ABN is not a provider, neither a supplier, they are a partner with expertise in making a new brand successful."*
